Phillip Chance, father of Dena (still a kindergartener, Ms. Libby), hails from Memphis, TN, though Seattle has been his spiritual homeland since 1979. Phillip is a pediatric neurogeneticist at the UW, and an accomplished clarinet player. In 2004 their greatest dream and collaboration was achieved, when Dena -- their first and only child -- finally arrived. Both are delighted to be part of the fabulous GH community, and are looking forward to serving together on the GH PTA Board.

Treasurer

Keith Harrison, father of Owen (Ms. Maureen) and Sela (Ms. Libby). Graham Hill offers a truly amazing educational environment and community, and I am thankful that I can be a part of that as a member of the PTA board. As treasurer, my goal for this year is to keep the PTA on the solid financial track it is on so that we can continue to offer an ever broader array of learning opportunities and engage an even broader group of active supporters.

Volunteer Coordinator

Beth Jacoby, I am the Mom of Harry, (2nd grade) and Anna, (Kindergarten) and I'm thrilled to have both kids at Graham Hill this year! We have found a wonderful learning environment and a terrific community of staff and students at Graham Hill. I just want to support an already great place through my PTA work, specifically by reaching out to parents in all classrooms to support our school through volunteerism.
